Dear Mr. Zacher:

As you know, the organizations of which the undersigned are representatives have unanimously agreed to oppose the development of the North Meadows Shopping Center on State Road 327 North of Cook Road.

We have had several discussions concerning this matter and apparently are unable to reconcile our diametrically opposed positions in reference to the matter.

Please be advised that it is the intention of the undersigned organizations to take every step possible to prevent the approval of the Shopping Center plans and the erection of the Shopping Center, even to the extent of resorting to litigation. Please be further advised that, having thus notified you of our intention to block the development of the Shopping Center by every legal means possible, we would consider any further expenditures of money on said project, or any part thereof, to have been expended at your own risk, and at the risk of your principals, if there are any.

Please be finally advised that we intend to take every step available to attempt to have the B-2 shopping center symbol removed from the intersection of State Road 327 and the Cook Road and that any further

expenditures on your part, or on the part of your principals, from this date forward, will be at your own risk.

Very truly yours,
